Measure, Appointment or Topic: HB4134

I am Alex Samarin and I was born and raised in Oregon. My entire life I have witnessed firsthand what it means to have open access to public lands and be able to appreciate flora and fauna in its natural environment. The following are reasons for insuring the preservation of Oregon's wildlife and the environment that they call home.

As an Oregon resident, I urge you to support the 1.25% for Wildlife bill (HB 4134) to help conserve Oregon's most vulnerable wildlife.

Oregon's wildlife is deeply important to me and is one of our greatest assets—driving outdoor recreation, attracting visitors and supporting a thriving tourism economy across the state.

HB 4134 would fund practical, proven solutions to reduce wildlife conflicts and promote coexistence, benefiting communities and protecting the wildlife that makes this state so special for generations to come.

And yeah, the middle section was copied and pasted, but it paints the picture necessary to promote support for HB 4134, and sometimes that's all it takes. Thank you for your consideration.
