Me and my family love visiting Topaz Farm! It is a beautiful spot in the world with activities for everyone.

My 3 year old especially loves seeing the animals, pretending to ride tractors, and getting a snack before we leave.

I have enjoyed going for years! Whether it be to attend a dinner, listen to live music, or pick up some local gifts for friends, Topaz is my go to.

It is a really special place that provides an escape from the city and a chance to unwind. On my last visit, we saw a bald eagle flying around.

Topaz also provides quite a few jobs. Jobs can be hard enough to come by in this economy.

Please consider supporting HB 4153.
