Topaz Farm is a special place in the world! My family loves visiting, and I always take friends visiting Portland.

My three year old loves visiting the animals, pretending to ride the tractors, and getting a treat before we leave.

I've been going for years! Whether it be to a farm to table dinner, live music, or just to pick up a local gift, Topaz is my go to.

Topaz is a great place to get out of the city, grab a beer, and breath for a moment. Last time I was there, I even saw a bald eagle flying around.

Topaz is really special for a myriad of reasons, but they also supply quite a few jobs. Jobs can be hard enough to come by in these times.

I am in support of HB 4153, and I urge everyone to to be in support as well.

Thank you,

Brett
