Measure, Appointment or Topic: HB4024

The proliferation of dishonest ticket sellers and resellers who offer tickets at highly inflated prices has greatly expanded within the last few years! Misleading and blatantly inaccurate on line listings are also at an all time high! These practices adversely impact music and other artistically oriented venues, the artists themselves and, of course, the general public! Please do what you can to contain or eliminate the aforementioned nefarious and often illegal activities! Thank you!
