

Submitter:

MICHELLE RALPH

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

The only proper amendment to Measure 114 is an amendment to strike it from record and law, and an oath to never infringe on our 2nd amendment rights again. The increase in fees and classes will only prevent law-abiding citizens from enjoying the rights given by our founding fathers.

Oregon has time and again brought shame upon themselves in the eyes of our countrymen.
