HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters, and Honorable Members of the House Committee on Revenue:

Thank you for your service in the Oregon House. I strongly oppose HB 4125. We Oregonians need our hard-earned income to take care of our families. The 'kicker' is our private property, and we need it returned to us in full. The high taxes are oppressive to many of us Oregonians. Instead of keeping part of our 'kicker,' we Oregonians urge our legislators to learn how to prioritize and budget current tax funds wisely. Returning our 'kicker' in full would contribute to maintaining integrity and strengthening trust with our legislators. This is essential, considering how many of us Oregonians have already voiced opposition to having our taxes raised.

Respectfully,  
Heather Hall
