Committee..

Should I be lengthy in my comment or just give you the short version ?

PASS IT ! I never seen so many citizens stand in the rain, waiting to sign petitions after you passed the Odot Tax.

Springfield Oregon had 1 signing location that got 500 signatures a hour for 4 petition efforts...

THE PEOPLE HAVE HAD ENOUGH.... and when you get done with this legislative session, my guess is they will do it again, heading in to the primary election.

Found out today that your arrogant disregard of the will of the people, passing the Odot Tax bill, resulted in the Largest PUSH BACK by the citizenry through referendum petition in the history of the US (3 times the signatures in 38 days).

TRY US... OREGON IS RESOLVED.
