

Submitter:

Angus MacDonald

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Oregon's wild areas are a large part of what makes Oregon the special place it is. It is incumbent on us during our time of stewardship to watch over it, and protect it. This measure helps to do that. Please vote for this bill, and give wildlife in Oregon the funds it needs to thrive.

Thank you.

Angus MacDonald
