Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4145

It's clear that the lawmakers are not paying attention  
Law abiding citizens have a federal constitutional right to defend themselves  
The Oregon constitution mentions this as well  
Measures like this one and 114 are unconstitutional, period  
You cant vote away an inalienable right, period  
Laws like this that restrict citizens and give lifetime honor exemptions for ICE officials  
that kidnap citizens on our own soil are the definition of tone deaf  
We are suffering and cry for liberty, instead those who support M114 and HB4145,  
your boot is on our neck
