On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1590

Thank you for accepting comments on our public lands. In brief, these lands are ours in ownership as well as for all the citizens of this country. They should not be sold off or given away by our federal people or those politically appointed to their offices.

These lands should only undergo rigorous scrutiny before any acreage is released or transferred away.

Thank you again,

Peter Brewer
