

Submitter: Sheila Thompson

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

I oppose SB1507 any bill related to taxes should be put to the citizens of the state for a vote. The state of Oregon already is the highest taxed state and the tax dollars are not being used for what the citizens of the state wish. The taxes should be lowered. The Oregon government is running people and corporations out of Oregon causing less tax dollars to be available. Please connote view of the individuals you represent.
