Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

i urge you to vote NO. Once again we have another bill making it harder for people to defend themselves! Who writes this stuff??!! Just like recreation in the State of Oregon - fishing, hunting, camping, parking, floating - the excess regulations and fees make it nearly impossible for families to afford and discourages everyone from participating! THAT appears to be the agenda of the State of Oregon. Please vote NO.
