Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

“Shall not be infringed” is really clear language. This entire Bill is an infringement. The state has no right to override the US Consitution, and this does so by stepping in and requiring a “permit”. Additionally, is creates costs as barriers, it creates time lapses as barriers, it creates record keeping as barriers. Essentially, every piece of this is an infringement on the right to keep and bear arms.
