Measure, Appointment or Topic: HB4153

About 16,000 years ago the great Missoula flood gave the Willamette and Tualatin Valleys a gift of the best soils in the world. It is our duty to protect this gift. There are lots of places in Oregon where HB 4153 could be used without impacting our farmland so if this bill is important to the welfare of Oregon please word it to eliminate the Missoula flood lands from the impacts of the bill.
