HB4145

This bill would take my rights away. I am disabled and on a fixed income. I can barely afford to exercise my 2nd amendment rights now an increased with leave me unable to defend myself or my family. I am not a second class citizen I deserve the same rights as the exempt people in this bill. So in the best interest of all citizen stop this bill. Equal rights for all. Thanks for your time. That was not extended to the people.
