I'm a native Oregonian and a full-time resident of Lincoln City on the Central Coast. We all love Oregon because of its spectacular beauty and rich natural resources. Thousands and thousands of tourists flock to our state each year to enjoy what we enjoy year round, contributing significantly to the well being of our state economy. What HB 4134 would do is help ensure that we Oregonians -- and our visitors -- continue to enjoy our state's rich natural heritage. The bill would provide \$25 million dollars annually to help preserve and restore natural resources. The bill is a win for wildlife and a win for Oregonians and our visitors. Please cast your vote in support of HB 4134. Thank you!
