

Submitter:

Terrence Graves

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I served our country 32 years and fought in three wars, and am now 90% disabled because of it. I did not sacrifice so that politicians could steal my constitutional rights on a moments notice here at the Oregon legislature.

Please stop this draconian attack on my second amendment right guys.

Thank you.
