Chair Nathanson and committee members, I support 1.25% for wildlife. Oregon, my lifelong home, is a unique place, we share our homeland with a huge variety of wildlife from those found along the coast and east into the high mountains and on into our desert landscape. Last year alone my family and I stayed in motels from the Oregon/Idaho border to the Pacific Ocean and I would be happy to pay a little additional to enjoy the viewing of our varied landscapes and wildlife. As you consider this issue please keep in mind that Oregon is a haven for visitors, residents, and the wildlife we love.
