Hello!

On behalf of TopWire Hop Project in Woodburn, we are in support of this bill and wish to see agrotourism grow in the region. While this bill does not directly effect TopWire, our partner farms in the region could be effected. We want all farms to succeed and grow and this bill will help all of us grow together like we grow the food that ends up on the tables of Oregonians and the greater US population. Thank you for taking the time to hear our testimony on this matter.
