Measure, Appointment or Topic: HB4145

This abuse of the 2nd Amendment must stop. Lawful firearm owners in Oregon have not yet begun to assault people and this law does nothing to prevent or deter people who are law abiding citizens. Those of us with concealed carry permits are the most law abiding people in Oregon, yet you continue to try to reduce and restrict our rights. Criminals dont follow laws, so passing this law is a waste of time, as criminals will ignore it as well.

How obtuse are you?

And no, I dont mean that as a challenge.

I oppose this with the very core of my being.
