

Submitter:	Rodney John Tombleson
On Behalf Of:	Self an Oregon PCP
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4145

OPPOSE!

HB4145: Another unconstitutional proposal. Another in a long series of non-serious illegal proposals by Oregon politicians. I strongly oppose HB4145. It chokes freedom. It does nothing to reduce crime. It pushes a dangerous society while claiming to push a safe culture. There is no emergency. Stop using this political trick.
