

Submitter:

Andrew Tedford

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I opposed this in its complete entirety. This is unconstitutional on the Oregon state level and unconstitutional on the federal level. This does nothing to criminals,,, this bill is only directed at honest working citizens of this great state that pays for everyone who is working to at the capitol and down,,,, I don't feel like anyone up there is speaking for the common citizen who works or who is disabled....
