Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4145

I oppose 4145

Bill has tried to ram down our throats as fast as possible to try to get it through that's not the way Ore. should be

Fingerprints go to the and we don't know what they're doing with them

You are trying to raise the cost, and that means that a lot of people will not be able to afford it.

You should wait till the state Supreme Court comes back with a decision before you do anythin
