

Submitter: Elaine Lavington

On Behalf Of:

Committee: House Committee On Health Care

Measure, Appointment or Topic: HB4127

The State of Oregon through Oregon Health Plan covers undocumented adults and children, expands income eligibility, regardless of immigration status. This bill appears to be trying to cover services provided by businesses such as Planned Parenthood which performs the majority of abortions in the USA. Abortion is not healthcare

Do not use my tax dollars to pay for abortions. Vote No.
