Measure, Appointment or Topic: SB1563

Protecting our civil rights as outlined in the United States and Oregon Constitutions should be a foregone conclusion. Unfortunately the democrats in Oregon have become fearless in their attempts to legislate our rights away.

We should absolutely be able to bring swift legal action against the State if this happens. Our rights are not negotiable.

I strongly support this bill. If you are true to your sworn oath of office, it should not be a problem for you to support it as well.

Thank you.
