

Submitter:	Billy Chatfield
On Behalf Of:	We the people
Committee:	House Committee On Judiciary
Measure, Appointment or Topic:	HB4088

I oppose this bill that has been rushed into a hearing with very little notification for the public to respond. Allow children to grow up naturally .Adolescents identify with their biological sex after going through puberty. Do not make children a medical patient for life. I urge you to oppose this bill.
