On Behalf Of: Regis High School, the vulnerable in society

Committee: House Committee On Health Care

Measure, Appointment or Topic: HB4127

On behalf of Regis High School's student pro-life club, the Little Lambs, as president for this chapter, I, Ava Spencer, oppose the passing of House Bill 4127. It is **unethical** and wrong, as well as **unconstitutional**. We, the people of the United States, should not be forced to pay our money, tax dollars, or anything else to an organization that we do not believe in. Especially something that contradicts our faith and basic morals, people who owe the states taxes should be able to choose where and where not they wish those taxes to be used.

The people of the United States, and the people of the State of Oregon are not liable to support Planned Parenthood. Planned Parenthood is a non profit organization, meaning they should rely on donations, grants, sponsorships and community support. If a community (those who oppose it) do not believe in Planned Parenthood's mission then they should not be held responsible to fund it. Oregon is currently in a culture of death. We need to be more open to life, and aiding and supporting expectant mothers, their unborn, and the other vulnerable in society is the answer. Thank you for taking the time to read this testimony.

Sincerely,

Ava E. Spencer

Little Lambs Pro-life Club President
