On Behalf Of:
Committee: House Committee On Revenue
Measure, Appointment or Topic: HB4016
Joint Committee on Ways and Means

Dear Co-Chairs Senator Lieber and Representative Sanchez, Co-Vice Chairs
Senator Girod, Representatives Gomberg and Smith, and members of the
Committee:
Re: House Bill 4016

There should be little doubt that this piece of legislation is long, long overdue so I
urge the members of this committee pass it. It should also be remembered that
similar legislation has been tried in the not too distant past – and failed. I can think of
no excuses for continuing to employ contractors who are cheating on paying taxes
owed the state. If I tried that it would most likely lead to significant unpleasantness. I
surely would not be rewarded as is the case with some negligent state contractors.

Sincerely,
Richard Wisner
