Measure, Appointment or Topic: HB4125

Hello, Chair Nathanson and Co-Vice Chairs Reschke and Walters,  
I am a native Oregonian and a product of public school in the 1980/1990s. My  
children are students in the Lake Oswego School District. I deeply care about Oregon  
and its students. I support HB 4125 to modernize the Kicker.

Now is the time to effect change and reform Oregon taxes to benefit children and  
future small businesses. I am sick and tired of the continuous lack of funding for  
schools, starting with Measure 5 and then with Measure 50, with no method or way to  
replenish the diminished funding.

We are continuously failing generations of Oregon children - and simultaneously  
damaging our business climate by failing to attract talented employees with families  
to our city due to the failures of our schools.

The structure of the Kicker right now is destabilizing to the General Fund. Without a  
stable, growing General Fund, public education will never get a big enough piece of  
the pie. The Revenue Forecast Modernization Act or HB 4125 makes budget  
predictions less high stakes for our children and communities.

I'm calling on you, my lawmaker, to speak out boldly in favor of this bill and pass it  
into law. As the federal "Big Beautiful Bill" legislation starts to take effect, Oregon's  
General Fund will require a solid foundation, and the current Kicker is a perpetual  
crack in that foundation. Let's have a revenue prediction system that ensures  
investment in our children and in the future small business in our state.

Sincerely,  
Iris Ringer
