

Submitter:	Paul Rippey
On Behalf Of:	self
Committee:	House Committee On Transportation
Measure, Appointment or Topic:	HB4007

I'm an "older Oregonian", a large category of people. A couple of years ago I got my first ebike, and love it. There is safety in numbers. This isn't just a saying - the data back this up. The more people who ride bicycles, the safer it is to ride bicycles! My understanding of HB 4007 is that it will have the long term effect of encouraging bike riding, so I am all for it.
