

Submitter: Robbin Cochran  
On Behalf Of:  
Committee: House Committee On Behavioral Health  
Measure, Appointment or Topic: HB4083

Under no circumstances should Social Workers be permitted to be supervised by Licensed Professional Counselors and Licensed Marriage and Family Therapists. We have completely different codes of ethics and our social justice framework is inextricable from the practice of Social Work itself. Only Social Workers should be permitted to supervise other Social Workers for licensure.
