House Committee on Revenue

Dear Chair Representative Nathanson, Vice Chairs Representatives Reschke and Walters, and members of the Committee:

Re: House Bill 4134

I am opposed to the passage of HB 4134. In plain and simple terms, No More Tax Increases.

When I go to the doctor in the Valley and need to spend the night it is aggravating that my stay is taxed increasingly every year. Since no tax ever goes away but, like this one, only continues to increase, the least that could be done is to hold exempt Oregon residents, which I have been since 1951.

Sincerely,  
Richard Wisner
