Resources, and Water

Measure, Appointment or Topic: HB4153

I support this bill because small farms like the farms on Sauvie Island are a huge part of what makes Oregon a special place. Nothing screams summer magic like treats and concerts at Topaz or berry picking at the other farms. Then we get to the glorious fall celebrations of corn mazes and pumpkin patches galore at these farms. I look forward to frequenting these places every year like a ritual. They get me outside all year long.
