House Committee on Judiciary

Dear Chair Representative Kropf, Vice Chairs Chotzen and Wallan, and members of the Committee:

Re: House Bill 4145

I am opposed to the passage of HB 4134. In plain and simple terms, Shall Not Be Infringed.

HB 4145 is simply more picking away bit by bit of our rights to keep and bear arms – of our choice. It is baffling and amazing that supporters and sponsors of this bill – and others like it – actually think that inanimate objects are able act on their own volition. For the millionth time – it's NOT the guns. It's the people holding them.

Sincerely,
Richard Wisner
