

Submitter: Christine Vernier
On Behalf Of: HB 4112
Committee: House Committee On Education
Measure, Appointment or Topic: HB4112

Dear Chair Hudson, Vice-Chair McIntire, and members of the committee,
I am writing today in support of HB 4112. I was a chief petitioner for Measure 99 (Outdoor School for All) because I saw the need to get kids outside to experience the environment and learn STEM concepts. The measure, passed by 67% of Oregon voters, called for ALL kids in Oregon to experience Outdoor School. That will not happen with the cuts Outdoor School is now facing. Restoring the funding to voter-approved levels will not only be good for our kids, but it will help to create jobs, mostly in rural communities.

Please help to pass HB 4112.
