HB4134

I have been a resident of Oregon since I moved here in 1995, and I never plan to leave. I love the wild places and the wild animals our state has to offer. Having lived in several other areas makes me realize how special this place is. Please pass HB 4134 to raise the the tourism tax and provide an ongoing way to support efforts to protect our wildlife. 1.25% is a small price to pay for what our state has to offer, and to preserve it. Other states have sales tax, so I do not believe this tax will be a deterrent to tourism.
