Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

We need to stop trying to modify Measure 114. The constitutionality of the measure is still being decided by the court system, and we need to let that process finish. This bill would also raise the permitting fee much higher than what the citizens of Oregon voted on. It is important to keep firearms out of the hands of violent criminals, but expensive fees to exercise a constitutional right is not an acceptable or effective means to do that.
