We do not need HB4145, doing so is penalizing legal gun owners. You need to put stricter laws on gun CRIMES and ENFORCE them! By approving this bill you are allowing personal feelings, beliefs and Democratic Party pressure to push this through. This is an obvious attempt to pander to people in return for their

This is a sneaky way to get a gun registry in place, (which we already have a form of) in the shape of laws in place and State Police checks and approval to purchase firearms.

The right to own firearms is provided for in THE SECOND AMENDMENT! Quit pandering for votes and attempting to get the government (specifically) state government more power to enforce their agenda on the residents of the ONCE great state of Oregon.

I ask that you don't further impinge my rights as a gun owner
