We need to protect each other from endless and senseless gun violence that could be prevented with safeguards in place. Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement provide these safeguards and should be in effect by now. I am an Oregon resident who voted for Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been frustrating. HB 4145 MUST pass this session.
