Measure, Appointment or Topic:	HB4145

I was one of the many Oregonians who helped pass Measure 114 more than three years ago. I wanted it implemented immediately, and the delay due to the courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now. HB 4145 will make the implementation of those steps more efficient and effective. They should be in place as soon as possible following the Oregon Supreme Court's ruling. HB 4145 MUST pass this session.
