Measure, Appointment or Topic:	HB4145

I am an Oregon resident who voted for Measure 114 and expected it to be implemented immediately. The delays caused by ongoing court proceedings have been deeply frustrating. Oregon needs decisive action to reduce gun violence, and the core provisions of Measure 114, including the ban on large-capacity magazines, closing the Charleston loophole, and the permit-to-purchase requirement, should already be in effect.

HB 4145 will make implementation of these measures more efficient and effective once the court issues its ruling. This legislation is necessary to carry out the will of Oregon voters, and HB 4145 must pass this session.

Thank you
