Support Oregon's small farm please! I have lived in Oregon 80 years and farms have always been an important part of my life! As a small child on a family farm , picking berries/beans, as a parent taking my children now grandchildren to farms to u-pick berries and pumpkins,

So many family traditions have been created.

Every summer we visit several farms to pick up fresh produce or go to a concert or just have fun!! Life is getting so complicated we need places to go to slow down and unplug!

Support our small farms! Thank you
