Topic: HB4153

I support HB 4153 because I support local farms. These farms are a vibrant part of our culture here in Oregon. I've enjoyed seasonal events like pumpkin patches with food, drinks, and shops since moving to Oregon. Our farms need to be supported by governmental procedures, not harmed by them. Farms should easily be able to offer events, food and drink, and stores with minimal permits and red tape. Keep this wonderful part of Oregon culture alive and thriving by passing HB 4153.

Thank you.
