House Committee On Revenue

Measure, Appointment or Topic:

HB4134

Chair Nathanson and committee members, I support 1.25% for wildlife because I am a birder and value wild habitats of all kinds that support birdlife. I'm also an avid hiker and I value the wild places that support all of our threatened and endangered species. The world is richer with all creatures. We need the funds to protect and care for the habitats that matter to all varieties of wildlife.

Thank you.
