

Submitter: Sheena Ino  
On Behalf Of:  
Committee: House Committee On Behavioral Health  
Measure, Appointment or Topic: HB4083

HB 4083 Requiring the Oregon Health Authority adopt a uniform process for credentialing organizational behavioral health providers and establish a centralized portal for processing applications.

Dear House Committee on Behavioral Health,

I am a Licensed Clinical Social Worker in Oregon and I am opposed to this bill. I would love to be part of more initiatives that allow for overlap in our fields while also still valuing the role of social workers in our fields.

With care,  
Sheena Ino
