

Submitter:

Shawn Poe

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Oregon Legislators,

I stand firmly in Opposition to HB 4145. Quite simply it is a work around to enact Measure 114 which is held up in litigation. Furthermore, It is an infringement of our US Constitutional Rights, as well as, an infringement of our Oregon Constitutional Rights.

This House Bill should be disposed of to assure Oregonians Rights.
