

Submitter:

Susanne Aronowitz

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I urge the House to support passage of HB 4145 to put into effect the wishes Oregon voters articulated when we passed Measure 114. HB4145 is sensible legislation that will save lives by closing the loophole on background checks, banning large capacity magazines, and offering another layer of prevention for firearm suicide. This measure will help to keep Oregonians safe!
