Measure, Appointment or Topic: HB4145

Dear legislators.

I am a nurse and mom of 2 young adults. I live in NW Portland . I urge you to pass HB 4145 because it's common sense that can save Oregon lives.

A permit to purchase a firearm is one of the best ways to prevent firearm suicide. We know that putting space between a person and a gun when they are suicidal can save a life.

Banning large capacity magazines limits the horror that an attacker can cause.

Every gun sold should have a completed background check. HB 4145 would close the loophole that allows gun sales before a background check is completed if it takes longer than 3 days.

Please DO THE RIGHT THING AND PASS THIS BILL for all of Oregon  
thank you
