HB4145

I oppose this!

This gun control is a power grab, does nothing to save lives. Groups like LEVO will pull on emotional heart strings with no factual basis to back up claims. The support comments has more than quadrupled in past 3 hours, high majority from one group. It's a coordinated scam. Supporting a bill like this that takes away due process is immoral and unconstitutional.

Again nothing in this bill will save lives, in fact it puts law abiding citizens in more of harms way.

Say no and OPPOSE this illegal measure and bill, it's the right thing to do!
