On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1570

Thank you for considering this Bill. It comes at such a critical time for our most vulnerable Oregonians.

We need statewide direction that puts hospitals to the task of reinforcing privacy boundaries and high clinical standards.

California's legislature approved many of these same measures last year, via SB 81, upon the advocacy of the California Immigrant Policy Center, the Latino Coalition for Healthy California, unions, and swaths of residents, immigrants and non-immigrants alike.

Please pass this bill out of committee. Thank you.
